Sir:

By this Information Disclosure Statement (IDS), Applicants hereby bring to the attention of the Examiner documents identified on an accompanying form PTO-1449. Applicants respectfully submit that this IDS is filed in accordance with the provisions of 37 CFR 1.97 and 37 CFR 1.98. In particular, each foreign patent or published foreign application is identified by the country or patent office that issued the patent or published the application, an appropriate document number, and the publication date indicated on the patent or published application.

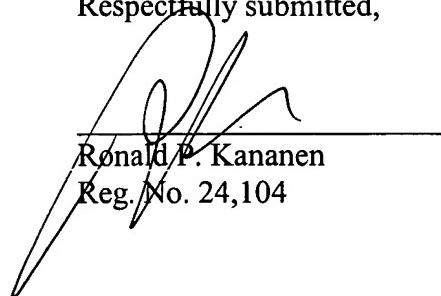

This will certify that each document accompanying this IDS was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement. Specifically, these documents were identified in a European Search Report (ESR) dated October 10, 2003. A copy of the ESR with its Annex is provided for

Moreover, Applicants respectfully submit that this IDS is filed before the first Office Action on the merits.

Based on the foregoing discussion, Applicants submit that this IDS complies with the requirements set forth in 37 CFR 1.97 and 37 CFR 1.98. As a result, Applicants respectfully request that the Examiner consider these documents, and provide a clear record of their consideration by initialing the appropriate boxes provided on form PTO-1449.
